(3) A Cayman Reporting Financial Institution shall retain for six years a book, document or other record, including any information stored by electronic means, that relates to the information required to be reported to the Authority under this Part.

Anti-avoidance

13. If a person enters into any arrangement, the main purpose or one of the main purposes of which is to avoid any obligation under this Part, the arrangement is deemed not to have been entered into by the person and this Part is to have effect as if the arrangement had never been in existence.

PART 3 - Offences

General offences and defence

Offence pertaining to false self certification

14. (1) A person commits an offence if -

- (a) the person makes a self-certification that is false in a material particular for the Common Reporting Standard; and

(b) a Cayman Financial Institution is given the self-certification for any purpose for which the self-certification was made or purports to have been made.

(2) For regulation 14(1), it does not matter that -

- (a) the self-certification was made outside the Islands;
- (b) the person did not know, or had no reason to know, that the self-certification was false; or
- (c) the self-certification was given to the institution by someone else.

(3) In this regulation -

“makes” means to sign or otherwise positively affirm; and

“self-certification” means information, whatever called, that performs or purports to perform a purpose of a self-certification under the Common Reporting Standard.

15. A Cayman Financial Institution commits an offence if it contravenes any regulation in Part 2.

Offence to contravene Part 2

16. A Cayman Financial Institution commits an offence if -

Inaccurate information offence

- (b) the institution -
 - (i) knew of the inaccuracy when the act was done;
 - (ii) in doing the act, behaved fraudulently, intentionally, negligently or recklessly;

- (b) authorises, advises or counsels someone else to contravene regulation 18(a).

Hindering offence 19. A person commits an offence if the person hinders the Authority in performing a function under these Regulations or under section 5 of the Law concerning the Common Reporting Standard.

Reasonable excuse defence 20. (1) It is a defence to a proceeding for an offence against this Part (other than against regulation 21) for the defendant to prove the defendant had a reasonable excuse.

(2) However, neither insufficiency of funds nor reliance on an agent appointed under regulation 11 (or anyone else) is a reasonable excuse.

(3) If a defendant had a reasonable excuse for a contravention but the excuse has ceased, the defendant is to be treated as having continued to have the excuse if the contravention is remedied without unreasonable delay after the excuse ceased.

Criminal liability of directors etc. of Cayman Financial Institutions

Imputed offence 21. (1) If a Cayman Financial Institution commits an offence against this Part all of the following of or relating to the institution are also guilty of that offence -

- (a) if the institution is a body corporate, its directors, managers secretaries and other similar officers to any such office, whatever called, and -
 - (i) if the institution is an LLC, its members; and

 - (i) purporting to act in a capacity or position mentioned in s regulations 21(1)(a) to (d); or
 - (ii) otherwise a *de facto* decision maker for the institution.

(2) However, it is a defence for the defendant to prove that the defendant exercised reasonable diligence to prevent the contravention.

Punishment

22. (1) A person who commits an offence against this Part is liable to a fine of -

Punishment and criteria

- (a) for the following, \$50,000 -
 - (i) for an offence by a body corporate; or
 - (ii) for an offence by an individual who forms, or forms part of, an unincorporated Cayman Financial Institution; or
- (b) otherwise, \$20,000.

(2) In deciding the amount of the fine -

- (a) regulation 25 applies as if a reference to a penalty were to the fine and a reference to the Authority were to the court; and
- (b) the court shall have regard to any penalty imposed for the contravention.

23. (1) Regulation 22 applies despite sections 6(2) and 8 of the Criminal Procedure Code (2017 Revision).

Provisions pertaining to the Criminal Procedure Code
2017 Revision

(2) Despite section 78 of that Code, regulation 26 applies for prosecutions for offences against this Part as if a reference in that paragraph to imposing a penalty were a reference to a prosecution.

PART 4 - Compliance

Administrative penalties and safeguards for them

24. (1) Subject to complying with regulations 28 to 31, the Authority may impose a penalty of the following amount (a "primary penalty") for offences against Part 3 -

Power to penalise

- (a) for the following, \$50,000 -
 - (i) for an offence by a body corporate; or
 - (ii) for an offence by an individual who forms, or forms part of, an unincorporated Cayman Financial Institution; or
- (b) otherwise, \$20,000.

(2) Also, if -

Tax Information Authority (International Tax Compliance) (Common Reporting Standard) Regulations (2018 Revision)

- (a) a primary penalty has been imposed, which penalty has not been stayed;
- (b) the contravention has not been remedied; and
- (c) the party is capable of remedying the contravention,

the Authority may impose further penalties on the party of \$100 for each day the contravention continues (each a “continuing penalty”).

(3) For regulation 24(2)(c), insufficiency of funds or reliance on an agent appointed under regulation 11 (or anyone else) does not, of itself, make the party incapable of remedying the contravention.

(4) A penalty becomes a debt owing by the party to the Crown thirty days after the penalty is imposed.

Criteria for deciding penalty

25. (1) In deciding whether to impose a penalty or its amount, the Authority shall consider the following criteria in the following order of importance -

- (a) the need to ensure strict compliance with, and to penalise and deter contravention of, these Regulations;
- (b) the nature, seriousness and consequences of the contravention;
- (c) the apparent degree of the party’s inadvertence, intent or negligence in committing the contravention;
- (d) the party’s conduct after becoming aware of the contravention, including, for example -
 - (i) whether and how quickly the party brought the contravention to the Authority’s attention; and
 - (ii) the party’s efforts to remedy the contravention or prevent its reoccurrence; and
- (e) the party’s history of compliance with the Common Reporting Standard, in the Islands or elsewhere, of which the Authority is aware.

(2) The Authority may also consider other matters it reasonably considers is relevant.

(3) The criteria and matters prevail over any issue concerning the party’s resources or ability to pay.

Limitation period

26. (1) The Authority cannot impose a primary penalty for an offence against regulation 15 more than one year after becoming aware of the contravention.

(2) The Authority cannot impose a primary penalty for another offence against this Part after the earlier of the following -

- (a) one year after becoming aware of the contravention; or
- (b) six years after the contravention happened.

(3) There is no limitation period for imposing a continuing penalty while all the conditions under regulation 24(2)(a), (b) and (c) continue to apply.

27. A prosecution against a person for an offence (whether or not a conviction resulted) precludes the imposition of a penalty against that person for the same offence, but not *vice versa*.

Protection against
double jeopardy

Procedure for imposing penalty

28. (1) The Authority can only impose a primary penalty by -

- (a) giving the party a notice that complies with regulation 29 (a “breach notice”);
- (b) if regulation 30 applies, complying with that regulation; and
- (c) giving the party a notice that complies with regulation 31 (a “penalty notice”).

Steps required to impose
penalty

(2) The Authority can only impose a continuing penalty by giving the party a penalty notice.

(3) The same penalty notice may be given for two or more continuing penalties for the same primary penalty

29. (1) A breach notice shall be dated and state -

- (a) the party’s name;
- (b) that the Authority proposes to impose a penalty on the party (the “proposed action”) for the offence it believes the party committed;
- (c) the facts and circumstances that the Authority believes constituted the offence;
- (d) the amount of the penalty the Authority proposes (the “proposed amount”); and
- (e) that the party may, within a period stated in the notice after receiving the notice, make written representations to the Authority about the proposed action, the proposed amount, or both.

Breach notice for
primary penalty

(2) The stated period cannot end less than sixty days after the giving of the notice.

Tax Information Authority (International Tax Compliance) (Common Reporting Standard) Regulations (2018 Revision)

Considering representations and deciding primary penalty

30. (1) This regulation applies only if a breach notice has been given for a penalty, the period stated in the notice has ended and the party has made representations as stated in the notice.

(2) The Authority shall consider all matters raised in the representations concerning the proposed action and the proposed amount mentioned in regulation 29(1) and reconsider the proposed action and, if relevant, the proposed amount.

(3) The reconsideration need only be on the balance of probabilities.

(4) The amount of a penalty imposed may be any amount not exceeding the proposed amount.

Penalty notice for all penalties

31. (1) A penalty notice shall be dated and state -

- (a) the party's name;
- (b) that that the Authority has imposed a penalty of a stated amount on the party;
- (c) if the penalty is a primary penalty, reasons for the decision to impose the penalty and for its amount;
- (d) if the penalty is a continuing penalty, the date of the penalty notice for each relevant primary penalty;
- (e) that the penalty will become a debt owing by the party to the Crown thirty days after the notice has been given; and
- (f) the substance of the party's appeal right.

(2) The Authority may share information about a penalty (other than any reasons for decision stated in the relevant penalty notice) with other Government authorities and regulators, both domestically and overseas.

Appeals

Appeal right

32. (1) A party who has been given a penalty notice may appeal to a court against the decision to impose the penalty, its amount, or both.

(2) However, the appeal may be made only within sixty days after the party received the notice, or any later period the court allows.

Automatic stay on appeal

33. (1) The Authority cannot, without the court's leave, enforce the penalty the subject of an appeal or interest until the outcome of the appeal.

(2) To avoid doubt, regulation 33(1) does not limit or otherwise affect any obligation of the party under Part 2.

34. (1) An appeal is by way of a rehearing *de novo*.

Appeal hearing and
outcome

(2) After hearing an appeal, the court may -

- (a) affirm, set aside or vary the decision appealed against (the “original decision”); or
- (b) set aside the original decision and remit the matter to the Authority for it to reconsider with directions the court considers fit.

(3) The following applies if the court’s decision is to affirm the original decision or to vary it in a way that a penalty is still imposed -

- (a) the court’s decision is (other than for regulations 28 and 32) deemed to have always been the original decision;
- (b) the court may, at the Authority’s request, issue a judgment against the party for all or any part of the penalty that continues to be unpaid and for interest; and
- (c) the request may be made during the appeal; when the court’s decision is handed down or at any later time on production of a certificate under regulation 38(3)(j).

(4) If the court’s decision is to set aside and not to remit, both the penalty and interest are deemed to have never been owing.

Interest

35. (1) Interest accrues on a penalty while all or any part of the penalty continues to be unpaid, starting on the day immediately after the penalty became owing under regulation 24(4) and ending on the day the penalty is paid in full, both days inclusive.

Interest

(2) The interest accrues at daily rests and as compound interest.

(3) The rate of the interest is the higher of the following -

- (a) five percent; or
- (b) the average percentage of the annual consumer price index and inflation rates for the most recent three calendar years published by -
 - (i) the Islands’ Economics and Statistics Office (or any other similar body) under the Statistics Law (2016 Revision); or

2016 Revision

- (ii) if those rates cease to be published, the index that most closely performs the functions of publishing the rates.
- (4) Payments relating to the penalty are to be applied to the interest first.
- (5) The interest is also a debt owing to the Crown.
- (6) The accruing of interest applies even if the penalty has been stayed, but is subject to regulation 34(3) and (4).

PART 5 - Miscellaneous

Conduct and *mens rea* of
representatives

36. (1) This regulation applies for a decision by a body as follows if it is relevant to consider whether or not a person (the “principal”) engaged in conduct or had a state of mind about conduct, or both -
- (a) the Authority deciding whether or not to impose a penalty or the amount of a penalty; and
 - (b) a court hearing a civil or criminal proceeding (including an appeal) relating to Part 3 or 4.
- (2) The principal is deemed to have engaged in the conduct if the Authority is satisfied the conduct was vicarious, unless the principal proves -
- (a) the principal was not in a position to prevent the conduct; or
 - (b) if the principal was in such a position, the principal took reasonable steps to prevent the conduct.
- (3) The principal is deemed to have had the state of mind if the Authority is satisfied the conduct was vicarious and the representative had the state of mind.
- (4) Satisfaction under regulation 36(2) or (3) need only be on the balance of probabilities.
- (5) In this regulation -
- “engaging”, in conduct, includes failing to engage in conduct;

However, a Reporting Financial Institution is required to use reasonable efforts to obtain the TIN(s) and date of birth with respect to Pre-existing Accounts by the end of the second calendar year following the year in which such Accounts were identified as Reportable Accounts.
- D. Notwithstanding subparagraph A(1), the TIN is not required to be reported if (i) a TIN is not issued by the relevant Reportable Jurisdiction or (ii) the domestic law of the relevant Reportable Jurisdiction does not require the collection of the TIN issued by such Reportable Jurisdiction.
- E. Notwithstanding subparagraph A(1), the place of birth is not required to be reported unless the Reporting Financial Institution is otherwise required to obtain and report it under domestic law and it is available in the electronically searchable data maintained by the Reporting Financial Institution.

Section II: General Due Diligence Requirements

- A. An account is treated as a Reportable Account beginning as of the date it is identified as such pursuant to the due diligence procedures in Sections II through VII and, unless otherwise provided, information with respect to a Reportable Account must be reported annually in the calendar year following the year to which the information relates.
- B. A Reporting Financial Institution, which pursuant to the procedures described in Sections II through VII, identifies any account as a Foreign Account that is not a Reportable Account at the time the due diligence is performed, may rely on the outcome of such procedures to comply with future reporting obligations.
- C. The balance or value of an account is determined as of the last day of the calendar year or other appropriate reporting period.
- D. Where a balance or value threshold is to be determined as of the last day of a calendar year, the relevant balance or value must be determined as of the last day of the reporting period that ends with or within that calendar year.
- E. Reporting Financial Institutions may apply the due diligence procedures for New Accounts to Pre-existing Accounts, and the due diligence procedures for High Value Accounts to Lower Value Accounts. Where New Account due diligence procedures are used for Pre-existing Accounts, the rules otherwise applicable to Pre-existing Accounts continue to apply.

Section III: Due Diligence for Pre-existing Individual Accounts

The following procedures apply with respect to Pre-existing Individual Accounts.

A. Accounts Not Required to be Reviewed, Identified, or Reported.

A Pre-existing Individual Account that is a Cash Value Insurance Contract or an Annuity Contract is not required to be reviewed, identified or reported, provided the Reporting Financial Institution is effectively prevented by law from selling such Contract to residents of a Reportable Jurisdiction.

- B. **Lower Value Accounts.** The following procedures apply with respect to Lower Value Accounts.

1. **Residence Address.** If the Reporting Financial Institution has in its records a current residence address for the individual Account Holder based on Documentary Evidence, the Reporting Financial Institution may treat the individual Account Holder as being a resident for tax purposes of the jurisdiction in which the address is located for purposes of determining whether such individual Account Holder is a Reportable Person.
2. **Electronic Record Search.** If the Reporting Financial Institution does not rely on a current residence address for the individual Account Holder based on Documentary Evidence as set forth in subparagraph B(1), the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the following indicia and apply subparagraphs B(3) through (6):
 - a) identification of the Account Holder as a resident of a Foreign Jurisdiction;
 - b) current mailing or residence address (including a post office box) in a Foreign Jurisdiction;
 - c) one or more telephone numbers in a Foreign Jurisdiction and no telephone number in the jurisdiction of the Reporting Financial Institution;
 - d) standing instructions (other than with respect to a Depository Account) to transfer funds to an account maintained in a Foreign Jurisdiction;
 - e) currently effective power of attorney or signatory authority granted to a person with an address in a Foreign Jurisdiction; or
 - f) a “hold mail” instruction or “in-care-of ” address in a Foreign Jurisdiction if the Reporting Financial Institution does not have any other address on file for the Account Holder.
3. If none of the indicia listed in subparagraph B(2) are discovered in the electronic search, then no further action is required until there is a change in circumstances that results in one or more indicia being associated with the account, or the account becomes a High Value Account.
4. If any of the indicia listed in subparagraph B(2)(a) through (e) are discovered in the electronic search, or if there is a change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the

Account Holder as a resident for tax purposes of each Foreign Jurisdiction for which an indicium is identified, unless it elects to apply subparagraph B(6) and one of the exceptions in such subparagraph applies with respect to that account.

5. If a “hold mail” instruction or “in-care-of ” address is discovered in the electronic search and no other address and none of the other indicia listed in subparagraph B(2)(a) through (e) are identified for the Account Holder, the Reporting Financial Institution must, in the order most appropriate to the circumstances, apply the paper record search described in subparagraph C(2), or seek to obtain from the Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of such Account Holder. If the paper search fails to establish an indicium and the attempt to obtain the self-certification or Documentary Evidence is not successful, the Reporting Financial Institution must report the account as an undocumented account.
6. Notwithstanding a finding of indicia under subparagraph B(2), a Reporting Financial Institution is not required to treat an Account Holder as a resident of a Foreign Jurisdiction if:
 - a) the Account Holder information contains a current mailing or residence address in the Foreign Jurisdiction, one or more telephone numbers in the Foreign Jurisdiction (and no telephone number in the jurisdiction of the Reporting Financial Institution) or standing instructions (with respect to Financial Accounts other than Depository Accounts) to transfer funds to an account maintained in a Foreign Jurisdiction, the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:
 - i) A self-certification from the Account Holder of the jurisdiction(s) of residence of such Account Holder that does not include such Foreign Jurisdiction; and
 - ii) Documentary evidence establishing the Account Holder’s residence for tax purposes other than such Foreign Jurisdiction.
 - b) the Account Holder information contains a currently effective power of attorney or signatory authority granted to a person with an address in a Foreign Jurisdiction, the Reporting Financial Institution obtains, or has previously reviewed and maintains a record of:
 - i) A self-certification from the Account Holder of the jurisdiction(s) of residence of such Account Holder that does not include such Foreign Jurisdiction; or

- ii) Documentary evidence establishing the Account Holder's residence for tax purposes other than such Foreign Jurisdiction.

C. **Enhanced Review Procedures for High Value Accounts.** The following enhanced review procedures apply with respect to High Value Accounts.

1. **Electronic Record Search.** with respect to High Value Accounts, the Reporting Financial Institution must review electronically searchable data maintained by the Reporting Financial Institution for any of the indicia described in subparagraph B(2).

2. **Paper Record Search.** If the Reporting Financial Institution's electronically searchable databases include fields for, and capture all of the information described in, subparagraph C(3), then a further paper record search is not required. If the electronic databases do not capture all of this information, then with respect to a High Value Account, the Reporting Financial Institution must also review the current customer master file and, to the extent not contained in the current customer master file, the following documents associated with the account and obtained by the Reporting Financial Institution within the last five years for any of the indicia described in subparagraph B(2):

- a) the most recent Documentary Evidence collected with respect to the account;
- b) the most recent account opening contract or documentation;
- c) the most recent documentation obtained by the Reporting Financial Institution pursuant to AML/KYC Procedures or for other regulatory purposes;
- d) any power of attorney or signature authority forms currently in effect; and
- e) any standing instructions (other than with respect to a Depository Account) to transfer funds currently in effect.

3. **Exception To The Extent Databases Contain Sufficient Information.** A Reporting Financial Institution is not required to perform the paper record search described in subparagraph C(2) to the extent the Reporting Financial Institution's electronically searchable information includes the following:

- a) the Account Holder's residence status;

- b)* the Account Holder's residence address and mailing address currently on file with the Reporting Financial Institution;
 - c)* the Account Holder's telephone number(s) currently on file, if any, with the Reporting Financial Institution;
 - d)* in the case of Financial Accounts other than Depository Accounts, whether there are standing instructions to transfer funds in the account to another account (including an account at another branch of the Reporting Financial Institution or another Financial Institution);
 - e)* whether there is a current "in-care-of " address or "hold mail" instruction for the Account Holder; and
 - f)* whether there is any power of attorney or signatory authority for the account.
- 4. Relationship Manager Inquiry for Actual Knowledge.** In addition to the electronic and paper record searches described above, the Reporting Financial Institution must treat as a Reportable Account any High Value Account assigned to a relationship manager (including any Financial Accounts aggregated with that High Value Account) if the relationship manager has actual knowledge that the Account Holder is a Reportable Person.
- 5. Effect of Finding Indicia.**
- a)* If none of the indicia listed in subparagraph B(2) are discovered in the enhanced review of High Value Accounts described above, and the account is not identified as held by a resident for tax purposes in a Foreign Jurisdiction in subparagraph C(4), then further action is not required until there is a change in circumstances that results in one or more indicia being associated with the account.
 - b)* If any of the indicia listed in subparagraph B(2)(a) through (e) are discovered in the enhanced review of High Value Accounts described above, or if there is a subsequent change in circumstances that results in one or more indicia being associated with the account, then the Reporting Financial Institution must treat the Account Holder as a resident for tax purposes of each Foreign Jurisdiction for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in such subparagraph applies with respect to that account.
 - c)* If a "hold mail" instruction or "in-care-of" address is discovered in the enhanced review of High Value Accounts described above, and no other address and none of the other indicia listed in subparagraph B(2)(a) through (e) are identified for the Account

Holder, the Reporting Financial Institution must obtain from such Account Holder a self-certification or Documentary Evidence to establish the residence(s) for tax purposes of the Account Holder. If the Reporting Financial Institution cannot obtain such self-certification or Documentary Evidence, it must report the account as an undocumented account.

6. If a Pre-existing Individual Account is not a High Value Account as of 31 December 2015, but becomes a High Value Account as of the last day of a subsequent calendar year, the Reporting Financial Institution must complete the enhanced review procedures described in paragraph C with respect to such account within the calendar year following the year in which the account becomes a High Value Account. If based on this review such account is identified as a Reportable Account, the Reporting Financial Institution must report the required information about such account with respect to the year in which it is identified as a Reportable Account and subsequent years on an annual basis, unless the Account Holder ceases to be a Reportable Person.
7. Once a Reporting Financial Institution applies the enhanced review procedures described in paragraph C to a High Value Account, the Reporting Financial Institution is not required to re-apply such procedures, other than the relationship manager inquiry described in subparagraph C(4), to the same High Value Account in any subsequent year unless the account is undocumented where the Reporting Financial Institution should re-apply them annually until such account ceases to be undocumented.
8. If there is a change of circumstances with respect to a High Value Account that results in one or more indicia described in subparagraph B(2) being associated with the account, then the Reporting Financial Institution must treat the account as a Reportable Account with respect to each Foreign Jurisdiction for which an indicium is identified unless it elects to apply subparagraph B(6) and one of the exceptions in such subparagraph applies with respect to that account.
9. A Reporting Financial Institution must implement procedures to ensure that a relationship manager identifies any change in circumstances of an account. For example, if a relationship manager is notified that the Account Holder has a new mailing address in a Foreign Jurisdiction, the Reporting Financial Institution is required to treat the new address as a change in circumstances and, if it elects to apply subparagraph B(6), is required to obtain the appropriate documentation from the Account Holder.

D. Review of Pre-existing High Value Individual Accounts must be completed by 31 December 2016. Review of Pre-existing Lower Value Individual Accounts must be completed by 31 December 2017.

E. Any Pre-existing Individual Account that has been identified as a Reportable Account under this Section must be treated as a Reportable Account in all subsequent years, unless the Account Holder ceases to be a Reportable Person.

Section IV: Due Diligence for New Individual Accounts

The following procedures apply with respect to New Individual Accounts.

- A. With respect to New Individual Accounts, upon account opening, the Reporting Financial Institution must obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.
- B. If the self-certification establishes that the Account Holder is resident for tax purposes in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account and the self-certification must also include the Account Holder's TIN with respect to such Reportable Jurisdiction (subject to paragraph D of Section I) and date of birth.
- C. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Financial Institution to know, or have reason to know, that the original self-certification is incorrect or unreliable, the Reporting Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes the residence(s) for tax purposes of the Account Holder.

Section V: Due Diligence for Pre-existing Entity Accounts

The following procedures apply with respect to Pre-existing Entity Accounts.

- A. **Entity Accounts Not Required to Be Reviewed, Identified or Reported.**
Unless the Reporting Financial Institution elects otherwise, either with

respect to all Pre-existing Entity Accounts or, separately, with respect to any clearly identified group of such accounts, a Pre-existing Entity Account with an aggregate account balance or value that does not exceed USD 250 000 as of 31 December 2015, is not required to be reviewed, identified, or reported as a Reportable Account until the aggregate account balance or value exceeds USD 250 000 as of the last day of any subsequent calendar year.

- B. Entity Accounts Subject to Review.** A Pre-existing Entity Account that has an aggregate account balance or value that exceeds USD 250 000 as of 31 December 2015, and a Pre-existing Entity Account that does not exceed USD 250 000 as of 31 December 2015 but the aggregate account balance or value of which exceeds USD 250 000 as of the last day of any subsequent calendar year, must be reviewed in accordance with the procedures set forth in paragraph D.
- C. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting may be Required.** For Pre-existing Entity Accounts described in paragraph B, a Reporting Financial Institution must apply the following review procedures:
- 1. Determine the Residence of the Entity.**
 - a)* Review information maintained for regulatory or customer relationship purposes (including information collected pursuant to AML/KYC Procedures) to determine the Account Holder's residence. For this purpose, information indicating that the Account Holder's residence includes a place of incorporation or organisation, or an address in a Foreign Jurisdiction.
 - b)* If the information indicates that the Account Holder is a Reportable Person, the Reporting Financial Institution must treat the account as a Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person.
 - 2. Determine the Residence of the Controlling Persons of a Passive NFE.** With respect to an Account Holder of a Pre-existing Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must determine whether the Account Holder is a Passive NFE with one or more Controlling Persons and determine the residence of such Controlling Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account is treated as a Reportable Account. In

making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs C(2)(a) through (c) in the order most appropriate under the circumstances.

- a) **Determining whether the Account Holder is a Passive NFE.** For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must obtain a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.
- b) **Determining the Controlling Persons of an Account Holder.** For the purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- c) **Determining the residence of a Controlling Person of a Passive NFE.** For the purposes of determining the residence of a Controlling Person of a Passive NFE, a Reporting Financial Institution may rely on:
 - i) information collected and maintained pursuant to AML/KYC Procedures in the case of a Pre-existing Entity Account held by one or more NFEs with an aggregate account balance or value that does not exceed USD 1,000,000; or
 - ii) a self-certification from the Account Holder or such Controlling Person of the jurisdiction(s) in which the Controlling Person is resident for tax purposes. If a self-certification is not provided, the Reporting Financial Institution will establish such residence(s) by applying the procedures described in paragraph C of Section III.

D. Timing of Review and Additional Procedures Applicable to Pre-existing Entity Accounts.

1. Review of Pre-existing Entity Accounts with an aggregate account balance or value that exceeds USD 250,000 as of 31 December 2015 must be completed by 31 December 2017.
2. Review of Pre-existing Entity Accounts with an aggregate account balance or value that does not exceed USD 250,000 as of 31 December 2015, but exceeds USD 250,000 as of 31 December of a subsequent year, must be completed within the calendar year following the year in

which the aggregate account balance or value exceeds USD 250,000.

3. If there is a change of circumstances with respect to a Pre-existing Entity Account that causes the Reporting Financial Institution to know, or have reason to know, that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph C.

Section VI: Due Diligence for New Entity Accounts

The following procedures apply with respect to New Entity Accounts.

A. Review Procedures for Identifying Entity Accounts With Respect to Which Reporting may be Required. For New Entity Accounts, a Reporting Financial Institution must apply the following review procedures:

1. **Determine the residence of the Entity.**
 - a) Obtain a self-certification, which may be part of the account opening documentation, that allows the Reporting Financial Institution to determine the Account Holder's residence(s) for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures. If the Entity certifies that it has no residence for tax purposes, the Reporting Financial Institution may rely on the address of the principal office of the Entity to determine the residence of the Account Holder.
 - b) If the self-certification indicates that the Account Holder is resident in a Reportable Jurisdiction, the Reporting Financial Institution must treat the account as a Reportable Account unless it reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Reportable Person with respect to such Reportable Jurisdiction.
2. **Determine the Residence of the Controlling Persons of a Passive NFE.** With respect to an Account Holder of a New Entity Account (including an Entity that is a Reportable Person), the Reporting Financial Institution must identify whether the Account Holder is a Passive NFE with one or more Controlling Persons and determine the residence of such Reportable

Persons. If any of the Controlling Persons of a Passive NFE is a Reportable Person, then the account must be treated as a Reportable Account. In making these determinations the Reporting Financial Institution must follow the guidance in subparagraphs A(2)(a) through (c) in the order most appropriate under the circumstances.

- a) **Determining whether the Account Holder is a Passive NFE.** For purposes of determining whether the Account Holder is a Passive NFE, the Reporting Financial Institution must rely on a self-certification from the Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Account Holder is an Active NFE or a Reporting Financial Institution other than an Investment Entity described in subparagraph A(6)(b) of Section VIII that is not a Participating Jurisdiction Financial Institution.
- b) **Determining the Controlling Persons of an Account Holder.** For purposes of determining the Controlling Persons of an Account Holder, a Reporting Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
- c) **Determining the residence of a Controlling Person of a Passive NFE.** For purposes of determining the residence of a Controlling Person of a Passive NFE, a Reporting Financial Institution may rely on a self-certification from the Account Holder or such Controlling Person.

Section VII: Special Due Diligence Rules

The following additional rules apply in implementing the due diligence procedures described above:

- A. **Reliance on Self-Certifications and Documentary Evidence.** A Reporting Financial Institution may not rely on a self-certification or Documentary Evidence if the Reporting Financial Institution knows or has reason to know that the self-certification or Documentary Evidence is incorrect or unreliable.
- B. **Alternative Procedures for Financial Accounts Held by Individual Beneficiaries of a Cash Value Insurance Contract or an Annuity Contract and for a Group Cash Value Insurance Contract or Group Annuity Contract.** A Reporting Financial Institution may presume that an individual beneficiary (other than the owner) of a Cash Value Insurance Contract or an Annuity Contract receiving a death benefit is not a Reportable Person and may treat such Financial Account as other than a Reportable

Account unless the Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person. A Reporting Financial Institution has reason to know that a beneficiary of a Cash Value Insurance Contract or an Annuity Contract is a Reportable Person if the information collected by the Reporting Financial Institution and associated with the beneficiary contains indicia as described in paragraph B of Section III. If a Reporting Financial Institution has actual knowledge, or reason to know, that the beneficiary is a Reportable Person, the Reporting Financial Institution must follow the procedures in paragraph B of Section III.

A Reporting Financial Institution may treat a Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract as a Financial Account that is not a Reportable Account until the date on which an amount is payable to the employee/certificate holder or beneficiary, if the Financial Account that is a member's interest in a Group Cash Value Insurance Contract or Group Annuity Contract meets the following requirements: (i) the Group Cash Value Insurance Contract or Group Annuity Contract is issued to an employer and covers 25 or more employees/certificate holders; (ii) the employee/certificate holders are entitled to receive any contract value related to their interests and to name beneficiaries for the benefit payable upon the employee's death; and (iii) the aggregate amount payable to any employee/certificate holder or beneficiary does not exceed USD 1,000,000.

The term “Group Cash Value Insurance Contract” means a Cash Value Insurance Contract that (i) provides coverage on individuals who are affiliated through an employer, trade association, labour union, or other association or group; and (ii) charges a premium for each member of the group (or member of a class within the group) that is determined without regard to the individual health characteristics other than age, gender, and smoking habits of the member (or class of members) of the group.

The term “Group Annuity Contract” means an Annuity Contract under which the obligees are individuals who are affiliated through an employer, trade association, labour union, or other association or group.

C. Account Balance Aggregation and Currency Rules.

1. **Aggregation of Individual Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an individual, a Reporting Financial Institution is required to aggregate all Financial

Accounts maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.

2. **Aggregation of Entity Accounts.** For purposes of determining the aggregate balance or value of Financial Accounts held by an Entity, a Reporting Financial Institution is required to take into account all Financial Accounts that are maintained by the Reporting Financial Institution, or by a Related Entity, but only to the extent that the Reporting Financial Institution's computerised systems link the Financial Accounts by reference to a data element such as client number or TIN, and allow account balances or values to be aggregated. Each holder of a jointly held Financial Account shall be attributed the entire balance or value of the jointly held Financial Account for purposes of applying the aggregation requirements described in this subparagraph.
3. **Special Aggregation Rule Applicable to Relationship Managers.** For purposes of determining the aggregate balance or value of Financial Accounts held by a person to determine whether a Financial Account is a High Value Account, a Reporting Financial Institution is also required, in the case of any Financial Accounts that a relationship manager knows, or has reason to know, are directly or indirectly owned, controlled, or established (other than in a fiduciary capacity) by the same person, to aggregate all such accounts.
4. **Amounts Read to Include Equivalent in Other Currencies.** All dollar amounts are in US dollars and shall be read to include equivalent amounts in other currencies, as determined by domestic law.
